# COLLEGE KNOWLEDGE

*College has a language of its own ..* **HERE'S A FEW COMMON TERMS!**

## TRANSIENT STUDENT

A transient or “guest student” is a student enrolled at another university, but taking classes at Mississippi State University that will count towards their degree at their home university. Enrollment is only on a temporary basis (such as a summer semester) and is typically limited to one term.

## ACADEMIC STANDING

Students who maintain a satisfactory semester and a minimum cumulative grade point average (GPA) of 2.0 are in good academic standing at MSU.

## TRANSFER ARTICULATION

A student may be approved to take courses at another institution. The student should check to see if the course will transfer to Mississippi State using the Registrar’s transfer course articulation guide as well as meet with an advisor before taking any transfer courses to confirm that the courses completed will count towards their degree path.

## GPA CALCULATOR

This is a great tool to help calculate your GPA and stay on top of your semester! You can calculate one semester or multiple. Check out this QR code to find MSU’s GPA calculator.
