COLLEGE KNOWLEDGE

College has a language of its own ... **HERE'S A FEW COMMON TERMS!**

PREREQUISITE

A course that is required before another course can be taken. Prerequisites are there to ensure that you are prepared for the courses that you are enrolled in.

OVERRIDES

Permission given to students to register for classes that have restrictions. Some courses require multiple overrides depending on the error message. Contact your advisor with any questions.

REGISTRATION HOLD

A registration hold prevents a student from registering for classes for the upcoming semester. Registration holds can be placed on a student for various reasons by student financial services, the student health center, or other authorized individuals. Your academic advisor can assist you in determining the source of the hold and directing you to the appropriate party to have it removed.

CONNECT WITH YOUR NAVIGATOR:

Freshman Year Navigators are MSU students who are assigned a group of incoming freshman each fall and works to help those students navigate through their first year. Your Navigator will reach out to you to help make sure your first year is successful.
