ADVISING 101

Are you planning to take a summer class?

Make sure you talk to your advisor about summer classes to confirm the course you are planning for will count towards your degree program. If you are planning to take a course at another institution, you may need to complete a transient letter with your advisor.

Advising for Summer and Fall 2026 is here!

Here are some tips to make sure you are prepared to register:

- Check your email to schedule your advising appointment.
- Use Degree Works to review your program requirements.
- Meet with your Freshman Year Navigator to make a Plan Ahead Schedule in Banner.
- Come prepared for your advising appointment with a list of classes to discuss with your advisor.

COLLEGE KNOWLEDGE

Academic Forgiveness

An undergraduate student may request forgiveness for up to nine credits of undergraduate semester hours in which they got a D or F grade.

Transient Student

A transient student is a student enrolled at another institution, but taking classes that will count towards their degree at their home university.

GPA Calculator

This is a great tool to help calculate your GPA for multiple semesters.

Transfer Articulation

Transfer Articulation is a guide to check and confirm if the course(s) from another institution will transfer as credit at Mississippi State.
