

Student Tab in Banner

Students can add or remove people to their FERPA list and can give access to the Parent Portal here.

Students can easily access their academic forgiveness options here. This will list the available classes that they can request.

This is the same view advisors see in "General Student Information" from the Faculty/Departmental side.

If a student wants to withdraw from the entire term, they will follow the steps here. This is NOT the same as dropping a course.

If a student needs to apply for accommodations with the DRC, they can go here.

A student can see their account balance, what loans and scholarships they receive, and much more here.

If a student needs access to their 1098-T tax information, it is located here.

Students may need a letter to confirm good standing or verification of enrollment. These two buttons will automatically create a letter on MSU letterhead that the student can download.

The screenshot displays the Banner Student Tab interface, which is organized into several columns and rows of links. The columns are labeled: Search, Administrative, Personal Information, Students, Faculty/Departmental, and Employees. The rows are labeled: ACADEMIC RECORDS, FINANCIAL AID AND SCHOLARSHIPS, ACCOUNT INFORMATION, ENROLLMENT VERIFICATION, and TAX INFORMATION. Various links are highlighted with colored boxes and callouts, providing detailed explanations of their functions.
